Rick,

With this email, I am following-up the State of Alaska's on-line nominations earlier today of Dr. Phyllis Weber Scannell and Dr. Dirk van Zyl for EPA's Bristol Bay Watershed Assessment Peer Review Panel. Attached are a nomination letter for Drs. Weber Scannell and van Zyl and their CV's.

Thanks in advance for EPA's consideration of these nominees, who the State believes would provide valuable and objective technical expertise to the peer review panel.

Regards,

Tom
